Aspirations and Achievements!

You should by now have received a letter advising you about our first Learning Conference of 2017 and how to book your 30 minute session with your son/daughter's Learning Advisor. These conferences will be held on Wednesday 29 March between 9.00am and 4.00pm and Thursday 30 March between 12.00pm and 7.30pm. We are asking parents to book their conference sessions on the school interviews website following the instructions given in the letter. If you are booking for more than one student, please remember to allow a gap between sessions so that you have plenty of time to get from one Learning Advisor to the next. If you did not receive the letter or would like Cheryl to book a session for you, please call reception between 1pm and 3.30pm.

We recently had a group of students who completed an OSH forklift operators course picking up seven Level 3 credits. They can now safely operate a forklift on any company premises. This course supports our students in pursuing purposeful pathways in our school vision.

Our Service Academy students received a taste of military life over the last two weeks at Waiouru Military Camp. This provided an opportunity for students to gain credits from achievement and unit standards. At the 'march out' on Friday 24th Britney Orpin-Price was awarded 'Top Student' for Mana College and Owen Delamare the 'Most Improved' student.

What's Coming Up?
