Changes Afoot!

The Board has recently approved changes to our school uniform at years 9 and 13 for next year. Year 13 will all wear blazers and tie with the expectation that our senior students role model a high level of pride in the school and themselves. Year 13 students will be gifted the use of these blazers for the year, which will be purchased by alumni and the school. There will be no expectation that students pay for this uniform change.

Year 9 students will be expected to purchase the uniform created by a new supplier, and this will include a school blazer. The new uniform items will only be sold at school. Please note the blazer will only be available from Term 2, 2017. A pictograph of most of the uniform range can be seen below.

We have changed the time of the last day for junior students on Friday 9 December. Students will start at 10.00am and our Junior Prizegiving is now scheduled for 11.00am. We anticipate that students will be finished for the day at around 1.00pm.

To celebrate all the hard work, enterprise and collaboration of our Year 9 and 10 students, we will hold a celebration/market day on Thursday 8 December in our gymnasium between 11.00am and 12.30pm. Please come down and see all the incredible activities our Year 9 students have been doing and working on for the past few weeks. You will also be able to purchase items for sale which have been created from the various Year 10 enterprise projects, including candles, biscuits, jewellery and t-shirts to name a few, which can be ideal for Christmas stocking fillers. You will have seen some pictures of these projects on our Facebook page, which have all been created with for the purpose of Christmas gift ideas. We look forward to sharing this event with you.
